Someday Travel recommends Pilgrim Tour's insurance program through Travel Guard, **but travelers can purchase their insurance from whatever provider they wish. It is primary insurance.** You should compare plans (see chart below) before making a decision. To learn more about the Pilgrim Tours Travel Guard option, call 1-866-476-6698. **If you choose this option you need to mention PRODUCT CODE NUMBER 008573P108/09; 008574 P1 08/09 to get the Pilgrim rate.** If you decide to use the Pilgrim Tours, simply indicate this on the Pilgrim Tours Reservation Form. Send in a premium check with your deposit. Your premium is 7% of total trip cost. The All Seasons Travel Plan provides valuable coverage and includes waiver of Pre-

Existing Medical Condition Exclusion IF insurance is purchased within 21 days of Initial Trip Payment.

Please see chart below for estimated prices and benefits of plan so you can compare and shop wisely.

Note that **while Pilgrim Tours “recommends” cancellation/medical insurance, Valerie & Wayne P. and Someday Travel requires cancellation/medical insurance for all travelers. This is for your own protection.**

Benefits Included	Amount of Coverage*
Trip Cancellation/Interruption	Trip cost
Trip Delay (\$200 max per day)	\$600
Baggage & Personal Effects	\$1,000
Baggage Delay (\$200 maximum per day)	\$1,000

Dental	\$1,000
Emergency Evacuation/Repatriation of Remains	\$500,000
Escort Maximum	\$25,000
Death & Dismemberment	\$100,000

When talking with any insurance representative, you should ask for coverage that has:

- Medical and cancellation component & if it covers pre-existing conditions (and when payment must be paid in relation to the deposit for the trip...usually 15-21 days).
- Is it primary or secondary plan (Travel Guard thru Pilgrim is Primary).
- Ask what is refundable on the airfare and if airline tickets are transferable. Also ask how much time you have to use the tickets.
- Ask what is covered, i.e. **what are their acceptable reasons for cancellation**, if any, etc.
- Decide if you need “Cancel for Any Reason” coverage and ask for cost and % reimbursed.
- Ask if they cover medical situations in a foreign country (most company insurance policies don’t) and how that is to be handled.

Critical Point: Please do not wait or delay in purchasing your travel insurance! Insurance carriers generally allow you from 15-21 days to purchase insurance **after making your initial deposit** for the trip, whether you have a pre-existing condition or not. This varies from company to company but it is something you need to check out and be aware of. Feel free to call if you need any additional clarification, Valerie, 920-539-0195 or Wayne, 920-539-0085.

***One reason Someday Travel suggests using Pilgrim Tours insurance** is that travelers may purchase travel insurance up to 48 hours prior to departure **except for Pre-Existing Conditions.**

CAUTION: Please note that if you need to cover a pre-existing medical condition, Pilgrim Tours also requires you to purchase insurance within 15 days of your initial deposit.

However, it is strongly recommended in all cases that travelers purchase their insurance when making deposit & within the 15 day period of initial a deposit to avoid any difficulties later on.

ELIGIBILITY:

Persons traveling must be able to participate in the physical activities that may be necessary on any trip. **In fairness to the other travelers, you must**

be able to keep up with the group on walking tours and be in full command of your faculties. The ability to walk comfortably at an even pace is necessary.

PHYSICAL/MENTAL LIMITATIONS

If you are impaired either physically or mentally, or have any serious health issues that may hamper your ability to walk with or stay up with the group (but you still wish to go on the trip), you will need to provide a personal escort for yourself and this person must pay the regular tour fee. This person will need to remain with you in the event you cannot participate fully in any specific aspect of the tour. **Also, if you have a tendency to lose or misplace items**, i.e., airline ticket, camera, purse, etc., your personal escort will be the party responsible for working with you and us to resolve it, if possible. For lost passports, your personal escort will be the party responsible for going to the American Embassy to replace it. If you would need medical care at any point related to your stated disability, your personal escort will need to stay with you and be your advocate at a healthcare facility. However, Valerie and Wayne P. will work with the travel agency on your behalf to support you in any crisis, as they would with any other traveler experiencing difficulties.

ADDITIONAL MONEY/EXPENSES: Travelers will be expected to bring additional sufficient funds for other expenses, such as meals not covered, souvenirs and/or other personal expenditures.

PAYMENT and CANCELLATION POLICY: See **Pilgrim Tours Brochure Terms and Conditions page carefully.** It is printed on their Reservation Form and on the back of the brochure.
