## INSURANCE:

**Both medical AND cancellation insurances are mandatory for Someday Travel Trips.** (Travelers will need to submit a copy of the policy to Someday Travel)

While Someday Travel suggests Pilgrim Tour's insurance program, Allianz, travelers may purchase their insurance from whatever provider they wish. If you choose Pilgrim Tours Allianz, benefits are under Terms and Conditions. This lists exactly what the Allianz plan offers so be sure you're comparing "apples to apples". To learn more about the Pilgrim Tours Allianz option call 1-800-284-8300 **BUT YOU MUST MENTION PRODUCT CODE NUMBER ACCAM-F201757 to get the Pilgrim's rate.** Please know that *while Pilgrim Tours "recommends" cancellation/medical insurance, Valerie & Wayne and Someday Travel makes this mandatory for all travelers for your own protection.*

+Unforeseen Reason Plan is available for 10.85% of trip cost and would refund passenger up to 80% of their trip cost. **Unforeseen Reason Plan must be purchased with initial deposit if you choose Allianz.**

**Critical Point: If using another carrier please do not wait or delay in purchasing your travel insurance!** Most insurance carriers allow up to 21 days (or less) to purchase insurance after making your initial deposit for the trip. This varies from company to company, but it is something you need to check out and be aware of. (Feel free to call if you need any additional clarification, Wayne, 920-539-0085).

**\*One reason Someday Travel suggests using Pilgrim Tours Allianz insurance is** that travelers may purchase travel insurance up to final payment **except for the Unforeseen Reasons package which requires premium to be paid with deposit.** Regardless, it is strongly recommended in all cases that travelers purchase their insurance along with their initial deposit to avoid any difficulties later on.

## ELIGIBILITY:

Persons traveling must be able to participate in the physical activities that may be necessary on any trip. **In fairness to the other travelers, you must be able to keep up with the group on walking tours and be in full command of your faculties.** The ability to walk comfortably at an even pace is necessary. Call Valerie or Wayne to determine just how much walking is required for this trip.

## PHYSICAL/MENTAL LIMITATIONS-**PERSONAL ESCORT**

If you are impaired either physically or mentally or have any serious health issues that may hamper your ability to walk with or stay up with the group (but you still wish to go on the trip), **you will need to provide a personal escort for yourself** and this person must pay the regular tour fee. This person will need to remain with you in the event you cannot participate fully in any specific tour. Also, if you have a tendency to lose or misplace items, i.e., airline ticket, camera, purse, etc., your personal escort will be the party responsible for working with you and us to resolve it if possible. For lost passports, your personal escort will be the party responsible for going to the American Embassy to replace it. If you would need medical care at any point related to your stated disability, your personal escort will need to stay with you and be your advocate at a healthcare facility. However, Valerie and
